

Kayleigh María González Smith

UX/UI Designer · Web and Digital Designer

PORTFOLIOeiradigital.framer.website

EMAILeiradigital@ik.me

LOCATIONBarcelona, Spain

PROFESSIONAL PROFILE

Junior web and UX/UI designer with experience creating responsive pages, landing pages, animated banners and digital content. I combine visual design, Figma, CMS and HTML/CSS knowledge to create consistent interfaces adapted to different devices. I am looking to keep growing in UX/UI, digital product and accessible web experiences.

WORK EXPERIENCE

Junior UX/UI Designer · Web Designer · Adkomo

Sep 2024 → Apr 2026 Barcelona, Spain

- Designed and built responsive landing pages with HTML5 and CSS3, using Grid/Flexbox and adapting them to WordPress and internal CMS platforms.
- Created web and mobile interfaces, prototypes and interactions for digital campaigns, taking care of hierarchy, usability and adaptation across devices.
- Produced banners, multimedia assets and animations while maintaining visual consistency between brand, UI and digital content.
- Redesigned components and interfaces to improve visual consistency across products and support the reuse of design patterns.
- Collaborated with technical teams, translating brand and campaign goals into functional web solutions.

Digital Designer · Web Designer · Alba English in Cubick

Sep 2020 → Aug 2024 Ourense, Spain

- Designed digital interfaces for Alba English's website and virtual campus, aimed at students and teachers.
- Created wireframes and prototypes to define page layouts, navigation flows, and content hierarchy.
- Designed educational and promotional graphic materials, including flyers, posters, workbooks and resources for online and in-person classes.
- Applied principles of readability, visual hierarchy, brand consistency and basic accessibility to support the understanding of educational content.

Digital Designer · Audiovisual Production · Sfe TV

Apr 2017 → Mar 2020 Paris, France

- Designed graphics and audiovisual assets for broadcast and digital distribution.
- Produced and edited promotional videos, short documentaries and clips.
- Post-produced content with Premiere Pro and DaVinci Resolve.
- Created motion graphics and digital assets for the company website to improve visual engagement and online visibility.

Graphic Design Consultant · Lobisome

Dec 2015 → Jun 2016 Vigo, Spain

- Provided creative advice to clients in the development of custom graphic designs.
- Interpreted client ideas into visual solutions.
- Used Adobe Illustrator and Photoshop professionally for print design projects.
- Customer service and direct sales.

PREVIOUS EXPERIENCE

Media Psychology Workshop Assistant · Psicoartae

Oct 2013 → Apr 2014 Madrid, Spain

Cultural Events Assistant · OUFF Film Festival

Sep 2008 → Mar 2011 Ourense, Spain
